APRA CAROLINAS BOOK DISCUSSION

Join us for our FINAL book discussion of 2021!

We'll be reading "**Generation Impact: How Next Gen Donors are Revolutionizing Giving**" (336 pages) by Sharna Goldseker and Michael Moody. We'll be discovering how Gen X and Millennial donors are changing their approach to charitable giving to achieve greater impact. This should give us some great insight into the future of philanthropy, as well as some tools on how to engage and steward these next gen donors.

You can find this book at online retailers, bookstores, and your local library.
