APRA CAROLINAS 2022 CHAPTER AWARDS

DON'T MISS OUT!

Chapter Awards nominations for this year still open and are a wonderful way to recognize our colleagues for the hard work they do all year! Winners will be announced at our 2022 virtual fall conference, and our chapter winners will be nominated for **2023 Apra International Awards**.

NOMINATIONS MUST BE SUBMITTED BY WEDNESDAY, 8/31! *Self nominations are accepted!* Recipient must be an active Apra Carolinas member to be eligible for the award.

Professional of the Year Award

The **Professional of the Year** award recognizes the skills, talents, and accomplishments of a member of our profession who has exceeded their core duties and played an instrumental role at their organization.

Distinguished Service Award

The **Distinguished Service Award** honors an individual who has enhanced our chapter, Apra Carolinas, as well as the prospect development profession. This award takes into account the individual's contribution, as well as the initiative they took to lead or help make a project or event successful. This award is especially meant to recognize exceptional contributions (both professional and personal) that an individual has made beyond their daily paid work.
